

THE HUSKY HOWLER

Mapleview Heights Elementary School Newsletter
Summer 2018

REPORT CARDS

Today you will find your child(ren)'s report card in his/her backpack. This is a time to celebrate the successes for this year, set goals for next year, and look at the suggested next steps and continue the learning process over the next two months. Please review your child's Learning Skills grades and comments as these are things that can be worked on during family and peer interactions in the summer months. Congratulations to all our Husky's on your achievement and we challenge you to find ways to explore all areas of learning, especially language and mathematics, through summer reading, games, and exploring outdoors.

MOVING OVER THE SUMMER

FIRST RIDER PROGRAM

***First Rider Program* taking place in August to help first time JK/SK/Primary bus riders**

The Simcoe County Student Transportation Consortium (SCSTC) offers a free *First Rider Program* for first-time school bus riders, which includes a ride on a real school bus. This safety program is provided by the SCSTC, in partnership with our school bus operators, to educate students and their families of the rules and responsibilities on and around the school bus. Sessions will take place in August across Simcoe County. Parents/guardians and their children attending any school in Simcoe County may attend any of the sessions. For more information and *First Rider* session dates, see the SCSTC website at:

MEDICAL

If your child has any medical condition or requires medication during the day we must have a doctor complete our SCDSB form. Please contact the office to obtain the form.

STUDENTS AND STAFF LEAVING MAPLEVIEW HEIGHTS E.S.

As we finish up our 2017-2018 school year it brings with it great excitement for summer holidays but also has us saying good bye to some of our friends and staff. For our Grade 8s graduating, we wish you all the best and hope that you reach your full potential in all you do! For the SKs that are heading off to French Immersion, we know you will still be in our community, and hope you are able to make many new friends at your new school and maintain the friendships you've made here at Mapleview Heights.

We have some staff leaving as their Long Term Occasional positions, filling in for contract teachers, are complete. We also have other staff that have opted to move closer to home or find challenge in a new environment. We wish them all the best and hope our paths continue to cross. Continue to travel your journey to making our world a better place.
